WILTON 101

There are three basic forms of local government in Connecticut:

1. Mayor + Council
2. Council + Manager
3. Selectpersons + Town Meeting

Wilton has the **Selectpersons + Town Meeting** form of local government.

It is the oldest form of local government in the country.

It is based on direct, rather than representative democracy.

It is a complex, decentralized power structure.

It is found exclusively in New England states.

It relies on a high degree of citizen participation. It relies on...
